RELIEF REQUESTED

1. Dear Honorable Judge,

I am writing this letter in support of the motion to release unredacted versions of the document stated above (DOC #526) and also the Special Committee summary report (DOC#892) in the Voyager Bankruptcy Case. As a pro se creditor in this case, who has been actively following a long since the case first started, I strongly believe that unsecured creditors should have access to this information in order to make informed decisions regarding the future of their investment.

The ability to review and understand the financial information contained in these documents is crucial for unsecured creditors. Having access to these documents will allow creditors to assess the current condition of the debtor, including the findings in the investigations that we paid for. This information is essential for unsecured creditors to evaluate the potential risks and benefits of their investment.

Furthermore, the unredacted versions of these documents & the release of the special committee investigation will provide greater transparency and accountability in the case. Unsecured creditors will have a clearer understanding of the debtor's financial situation, which will help to prevent any potential abuses or mismanagement of funds.

In conclusion, unsecured creditors should have access to the unredacted versions of these documents in order to make informed decisions regarding the future of their investment. This information is essential for unsecured creditors to evaluate the potential risks and benefits of their investment, and to ensure transparency and accountability in the case. I respectfully request that the court grant the motion to release the unredacted versions of these documents.

Thank you for your time and consideration.
